

Kendall & Grundy County Farmers,

The Kendall-Grundy Young Leaders are asking you, the farmers of Kendall & Grundy Counties, to help us feed families in need through our "Harvest for All" program.

Over the past several years many Kendall County farmers have been extremely generous with your participation in our program, and we thank you! After a little break the Young Leaders happy to extend our program to include both our Kendall and Grundy County farmers.

We all know the needs of our local food pantries have continued to grow, and together we can help. For every \$1 donated to a food pantry, they can purchase \$8 worth of groceries through resources like the Northern Illinois Food Bank.

If you choose to participate, a sign will be placed next to the farm field from which you are contributing this harvest season. The sign will have your name, our Harvest for All logo and the Food Pantry that will benefit from your donation.

We will have four beneficiaries for you to choose from:

1. The Kendall County Community Food Pantry
2. The Helmar Lutheran Church Food Pantry in Helmar
3. We Care in Morris
4. Coal City Food Pantry

If we can count on you to donate to this important cause, please complete the accompanying pledge form and send it to: **Kendall-Grundy Farm Bureau, 4000 N Division, Morris IL 60450 and include your check made out directly to the food pantry of your choice.**

On the form, please give us your farm/family information and let us know which pantry you would like your donation to be directed. Through "Harvest for All", you are not only reminding consumers where all their food originates, but most importantly, you are helping re-stock the shelves of our county food pantries assisting your neighbors in need. If you have any questions, please call 815-942-6400. We thank you for sharing your harvest and reminding everyone this harvest season of the connection between the farm and the fork.

Sincerely,

The Kendall-Grundy Farm Bureau Young Leaders
