

# 2023 Draw Down

*To benefit Grundy County Friends & Grundy County Farm Bureau Foundation*

For over a decade the Grundy County Farm Bureau Foundation and Grundy County Friends have joined together to host the annual Draw Down. Proceeds from the event help support youth programs including 4-H and Agriculture in the Classroom across Grundy County.

The Grundy County Farm Bureau Foundation serves as the philanthropic arm for Grundy County of the Kendall-Grundy Farm Bureau. The Foundation supports agriculture education, scholarships, and leadership development opportunities for our future agriculture leaders. Agriculture in the Classroom reaches over 1500 students each month providing integral lessons to our students who continue to be more disconnected from the agricultural roots of our communities. In 2022 the Grundy County Farm Bureau Foundation awarded \$16,000 in scholarships to 13 students. Without local support, these programs would not be possible.

The Grundy County Friends have worked through the years to ensure the success of the Grundy County Extension Unit, supporting 4-H and other community programs. Through the commitments and efforts by many, Grundy County Friends has been able to provide critical funding for the office and funding for clubs.

On behalf of the Draw Down Committee, we would like to invite you to join us in person on April 1st, 2023 at the Gardner American Legion! Participants may enter our annual Draw Down for the chance to win \$1500!
